

7th Edition of “Harit Jal Vaayu” on the topic “Back to Basics – Strengthening our Future”

IPA in association with Indian Society of Heating, Refrigerating & Air conditioning Engineers (ISHRAE), Mumbai Chapter and CII– IGBC, Mumbai Chapter successfully conducted the 7th Edition of “**Harit Jal Vaayu**” on the topic “*Back to Basics – Strengthening our Future*” on 20th December 2019 at Taj Santacruz Hotel, Mumbai.

It was a full day event with participation of over 200 professionals that included architects, real estate developers, builders, MEP consultants, corporate decision makers, Green product manufacturers and educational Institutions.

All the topics were based on the seminar theme as it was thought by all the three associations that there is a lot of scope in using techniques used many years ago but now forgotten to conserve natural resources.

The event was inaugurated in the presence of:

- Gaurav Shorey - Director, PSI Energy Pvt.Ltd. Delhi
- Mihir N Sanghavi - President, ISHRAE Mumbai Chapter
- Sharat Rao, Chairman – IPA Mumbai Chapter
- Ar. Shabbir Kanchwala - Senior Vice President, K Raheja Corp.
- M Gopi Krishna - Ex CEO, Voltas Ltd.
- Dnyanesh G Bhawe – MEP Consultant
