

IPA Surat Chapter celebrated WPD with Surat Plumbers Association on 11th March. More than 300 members attended the event. Chapter Committee members were also present to boost the event.

Rajeshkumar Dhabuwala, Chairman - IPA Surat Chapter gave a presentation on 'I Save Water' program initiated by IPA. In his presentation he spoke about IPA, its activities and also explained about the water conservation movement and how 133 crore litre water was saved in 2019 by using aerators. The hour long presentation covered various ways of water conservation including that of using aerator at the point of use. He gave many tips to the plumbers present that would help save water right from the time of execution of the project.
