

IPA Chandigarh Chapter

Essay Writing and Poster making Competition

Chitkara College of Applied Engineering organized two competitions on 13th February 2020, in collaboration with Indian Plumbing Association, Chandigarh Chapter. One was Essay Writing Competition on the Topic 'Save Water' to make each one understand the importance of saving water due to increasing ground water scarcity and another was Poster Making Competition on the theme 'Plumbers' which was organized in order to sensitize the students about the role of plumbers and their contribution towards the society.

The winners will be announced by IPA, Chandigarh Chapter and will be felicitated on 11th March 2020 on the occasion of World's Plumbing Day.
